SIXTH SUNDAY AFTER PENTECOST

Dear friends,

I pray that this message finds you waking up to another new opportunity Friday, giving thanks to God today that you are His forgiven and renewed child!

Weekly live stream services continue every Sunday at Resurrection Lutheran Church at 9:00 AM. This Sunday, we invite you to join us in worship as we recognize Resurrection Lutheran School teacher Pat Smith who is retiring this year and entering teacher emeritus status. We will also celebrate Holy Communion together. Holy Communion in the month of July will be live streamed on July 12 and 26. Don't forget that our ability to serve you and our wider community is made possible by your regular tithes and offerings. We are so grateful for the generosity of our congregation...thank you! If you've been always meaning to sign up for electronic giving, but have yet to do so, I encourage you to make time now to take that step. You can continue to make contributions to our congregation by downloading the Give Plus+ app or clicking the following link: <http://www.rlcary.org/ministries/online-giving/> and following the instructions.

As always, please don't forget that if you choose to gather together in person for Holy Communion on this or any other Sunday, you may choose a time and join us by signing up at the following link: <https://www.signupgenius.com/go/10c0d4dabae2eabff2-holy>. Small group devotions for those communing in person will be held in 30-minute increments, starting at 10:30 AM, with the last group gathering at 12:30 PM. Our Chaplain Care Circle is also ready to serve you by bringing Holy Communion to you in your home. Just let us know if you need this service by sending me an email at jonathan.blanke@rlcary.org.

I am praying that our worship team will be able to facilitate in-person worship for larger groups of people at our regular summer schedule times (Saturday at 6 PM and Sundays at 8:00, 9:30, and 10:45 AM) some time later on, in August. Be on the look out for an announcement one way or another about that possibility in the weeks ahead. In the meantime...let's all do our part to "flatten the curve" and show love to our neighbors by wearing a face covering in public places!

Finally, many of you have said to me in recent days that you are sorry for me as a new pastor to have to undergo this crisis with you. While I am grateful for the love that goes into that sentiment, please know that there are few times I've felt more privileged to be a pastor than now. Now is the time that the Word of God, communicating God's sufficient strength for us in Christ Jesus is something we all feel we need TOGETHER. That draws us closer to one another! It's a privilege for Juli and me to be with you and for me to be your pastor! Jesus has prepared us for just such a time as this. And He will use/is using our service and testimony to Him on behalf of His kingdom right here and now in ways we can't even imagine! Though I wouldn't complain if Covid-19 went away tomorrow, I'm also looking forward to what new things God will accomplish among us as a result of this challenging time. His grace is sufficient for us.

Let me close by saying, God bless and keep you until we are given to meet in person. And may that be very, very soon!

Shalom in Jesus,
Pastor Jonathan

If the people of your small group comprise 10 or fewer, are generally able to maintain a distance of 6 feet between any participants who are not members of the same family, and can commit to wearing face covering, then we invite you to contact the church office to set up a time and reserve a space. As always, we ask that members with underlying health conditions placing them at higher risk stay home.

A new In-Person Bible Study (limited to 10 people) **at church** in room 151 on Thursdays from 10:00-11:15 am. We have a book to read at home (\$7 donation), a video to watch in class, scriptures to share, and Q & A and discussion. Mindy Stephani will lead us.

If the class fills, another section of the class may be scheduled. The 6-session class will meet on July 23 and 30, and August 6, 13, 20, and 27. We will practice social distancing and wear masks. ***If you would like to participate in this Bible study, but can only do it in the evening, let us know.*** Tip: *Those who love Ray VanDerLaan series will also love this study.*

Now you can journey through a spiritual foundation of her faith through:

The ROCK—Jesus Christ. Kathie Lee will share about her life changing and ever deepening connection with Jesus.

The ROAD—Israel. Explore dozens of ancient landmarks and historical sites from Israel, the promised land of God's covenant.

The RABBI—God's Word. Let's dig into the original languages and deeper meanings of the Scriptures.

A lifelong student of Scripture, Gifford always desired a deeper understanding of the Bible and of God Himself. She began studying the biblical texts in their original Hebrew and Greek and hiking the ancient paths in Israel. She also met Messianic rabbi Jason Sobel who helped her learn more about our Savior and the original intent of the Scriptures.

RLC Members in Ministerial Studies

How blessed is RLC to have 4 congregational members in ministerial studies beginning this Fall. We wanted to answer the questions of how RLC is supporting them and what else can members do to support them.

Alan Shaw, currently our Vicar, is enrolled in our Synod's SMP program. He is in his second year, and we are looking forward to his pastoral ordination mid-2021. Alan's education is supported through a grant from the S.E. District and is supplemented by funding from the Pastor Paul Kibler Endowment Fund.

Micah Drengler recently completed his Vicarage and will be returning to Concordia Seminary for his final year. RLC has supported Micah's seminary expenses for the first three years of his seminary training. For our new 2020-21 budget, we are proposing that we continue this practice by providing \$3,000. If members wish to independently support Micah, contributions can be made in Micah's name to:

Concordia Seminary
801 Seminary Place
St. Louis, MO 63105

Harrison Hulse and Ross Bowen will be starting their ministerial training this Fall. Harrison will be starting a pre-ministry program at Concordia, Mequon, WI. Ross will be focusing on a DCE program at Concordia, Irvine, CA. The Council has approved a \$4,000 contribution towards each program, using funds from the Next 40 Ministry account. In addition, if members want to contribute individually, we will be setting up a dedicated account and will award proceeds on an annual basis. Contributions may be made to the Hulse-Bowen Fund.

SCRIP!

Did you know that our SCRIP has NOT taken a break or even had a slow down during the pandemic?

What is SCRIP you ask?

It is a program that allows families to earn money through the purchasing of gift cards/e-cards for youth events, like mission trips, NYG, camp events, etc. Our next National Youth Gathering (NYG) is only 2 years away! This is a great way to earn the money now and have little to no expense later. Just to give you an idea, our 2019 NYG trip cost \$1,400 per person to go to Minnesota.

Don't have any youth, but want to help out? You CAN!

You can direct your earned rewards to the church's love fund, RLS, RLP, RLC Youth, or designate one youth's family. SCRIP is an easy way to help out RLC, and it's youth!

Please contact me to set up your account or with any questions you may have at jenny.piontek@rlcary.org.

Monday Night Women's Bible Study

will be meeting via Zoom on **July 13 and July 27 at 7:00 pm.**

We will be using one-session studies from LWML/Lutheran Women in Mission.

We invite all interested women of RLC to join us! Please contact Dawn Leister through RCB or the church office to receive a Zoom invitation.

Resurrection Service Project (RSP)

assists elderly, infirmed, those in financial difficulty, others in our community with home maintenance and repairs.

Contact Tim Hiteshew through RCB or the church office (919-851-7248, office@rlcary.org).

Altar Flowers

You may sign up for your favorite date for altar flowers in the Sanctuary and Contemporary Service.

Please use this link: <https://bit.ly/3iFkHij>.

Flowers are ordered from Cary Florist and cost \$45.

Resurrection Lutheran Preschool (RLP) is looking for caring, passionate individuals that enjoy working with young children. Enthusiasm, patience, and a love for teaching and working with our next generation is essential, in addition to being part of an energetic, compassionate staff. While a degree in early education would be ideal, experience with children is considered and important. Our program is half day and works well with older elementary/high school families.

If interested or know someone that may be interested, contact Diane Hooper at director@rlpcary.org or 919-851-7270. Resumes may be sent to this email address.

ONLINE VACATION BIBLE SCHOOL WITH BOLT!

We are so excited to announce that VBS WILL BE HAPPENING this year! With one modification, though. Instead of you bringing your kids to VBS, we're bringing VBS to your kids.

This summer from **August 3rd-6th**, we'll be using a quarantine-friendly VBS called BOLT. With minimal preparation, easy-to-follow instructions, and a video that leads you and your kids step-by-step through each of the 3 days, BOLT is designed for you to perform with your family at home. It's so simple!

During BOLT, your family will participate in fun games that illustrate what it means to listen to, focus on, and follow Jesus. Depending on your pace, you can expect that each day's experience will last about an hour and a half. It's great for the whole family, even middle and high school kids can enjoy it!

If you want to get a better idea of what BOLT is, you can watch the [Day 2 sample video here](https://youtu.be/2622ZaE0BX0) (youtu.be/2622ZaE0BX0). But don't let your kiddos see it just yet—we want to save the fun for later!

There's something else we're really excited about—this could also be an amazing outreach opportunity. If you feel comfortable gathering with more people, you can invite neighbors, friends, and family to your house for BOLT. It's such an easy and fun way to share the good news of Jesus with our community. If it's helpful, we've provided a printable invitation for you to use on the Vacation Bible School webpage or you can share our social media posts with anyone you want to invite.

Please register online at rlcary.org/ministries/vacation-bible-school.

We'll be sending you more information as we get closer to Monday, August 3rd including how to join us for a live stream kick off session. In the meantime, get your family excited about BOLT. This is going to be SO MUCH FUN!

Family Event!

We are trying to get an event scheduled for families to participate in this summer, prior to school resuming.

However, we still have limitations on numbers and the need for social distancing. We were considering doing a family movie night out in the parking lot. Families could arrive around 8:00 pm and set up their chairs and/or blankets. We will have a short opening with a devotion and around 8:30 pm when the sun sets, we will start the movie.

We would ask that families bring their own snacks and drinks to keep things easier. Due to number limitations, we may need to do this more than one evening depending on those that indicate that they would like to attend. If you can RSVP, so we have an idea if there is enough interest to go ahead and set a date or two!

A second option would be to do a family game night. This would be able to start and end earlier as it is not dependent on needing it to be dark. We would have families work together within their unit to accomplish some fun patio type games. Again, this would take place in the parking lot.

Please let us know (maryann.unger@rlcary.org or lea.webb@rlcary.org) what you think of the options and your interest in attending.

Confirmation Small Group Leaders

We are in the process of gathering names for adults that are interested in being a small group leader for the 7th and 8th grade Confirmation classes. Small group leaders are asked to regularly attend Confirmation classes in order to build a long term relationship with a small group that will be assigned to you (approximately 6 students of the same gender). You will have about 20 minutes each week to meet with your small group to discuss the topic that was the focus of class that day, to check in with how everyone is doing, to pray together, and most importantly to build a relationship with these students and become another Christian adult in their lives.

While we are looking for people to make a commitment to small groups done in person, please be aware that some portion of the year may have to be done by video conferencing. Should we switch to that medium, we would circle around to see how many of our original small group leaders would still be able to take part.

Research has shown that it is helpful for youth to have five additional adults in their life in addition to their family members.

If you are interested and have time to commit to the full year and potentially 2 years for the 7th grade students, please contact maryann.unger@rlcary.org.

PLANS for OPENING RLP in 2020-21

The goal and intent of RLP's Staff and Board is to open in the fall of 2020-21. We will continue to offer an environment that is safe, healthy, and stimulating for the children at RLP. Hands-on, child centered experiences and activities are an integral part of our developmentally age-appropriate program. We continue to work closely and in cooperation with Resurrection Lutheran Church (RLC)/Resurrection Lutheran School (RLS). We will continue to monitor recommendations and requirements provided by experts and authorities concerning COVID-19 as it applies to the age of children RLP serves, as well as adults working with them.

REMINDERS:

- Recommendations & Requirements from experts and authorities are CONSTANTLY CHANGING.
- We will COMMUNICATE with families OFTEN, generally through email, as to any changes affecting or potentially affecting the operation of RLP. Please check your email regularly.

Families have been asked to keep in mind that this is a fluid situation and information can change quickly.

Thank you for your SUPPORT & PRAYERS
as we navigate this pandemic together during this preschool year.

RLP has openings for the **2020-21** preschool year.

Please share with your friends, neighbors, family, and co-workers
