Jesus used five loaves of bread and two fish to feed 5,000 families. This was enough for all, with twelve baskets of fragments left over! His followers had assumed that this would not be enough; they had not realized what He could do if they only turned their resources over to Him. This miracle is a tangible reminder of

the free gift of Eternal Life that comes anew through Word and Sacrament each time we worship. The Apostle Paul lamented that many of his fellow Jews did not know about the blessings God offers through Christ. Each time we come to the Lord's Supper, we receive the blessings of forgiveness, life, and salvation.

## NINTH SUNDAY AFTER PENTECOST

Dear friends,

It's hard to believe that summer is already entering the final stages as we begin the month of August! Where has the time gone? I pray that this message finds you safe and well, appropriately challenged in your faith journey, and enjoying the gifts of God's surprising grace and mercy as you live out each day.

The main reason of this letter to you this week is to alert all of you that the 9 AM Sunday worship live stream will be broadcast in the usual place (on our YouTube channel) at 9:30 AM this Sunday, August 2, instead of 9 AM. This is so that we can do a run through of other services on Sunday morning that will eventually be open to in-person worshipers, beginning August 16.

In-person reception of the Lord's Supper for groups of 10 or fewer people is available for sign up at the following link:

<https://www.signupgenius.com/go/10c0d4dabae2eabff2-holy>.

I will be posting a video this week that will detail our preparations and special precautions for in-person services starting August 16. Another video the following week will run through what attending a service in person on August 16 or later will "look like." Services will be open to 75 or fewer people and will require signing up ahead of time through a special sign up genius link. The link and the availability of openings will be posted soon. As always, we recommend that at-risk individuals or those with pre-existing conditions stay at home to stay safe.

I will always remember the first time I met many of you during the call process we had opportunity to reflect together on the Bible verse from Jeremiah: "For I know the plans I have for you," declares the Lord, 'plans for welfare and not for evil, to give you a future and a hope.' Whatever you might be experiencing in life this week, this remains our loving God's promise! May He continue to keep you in His grip as the future He has in store for all of us unfolds.

Shalom in Jesus,  
Pastor Jonathan

## SHARE YOUR HEALTH

As coronavirus concerns intensify, we need healthy blood donors more than ever.

### Is it safe to give right now?

Donating is a safe process and healthy individuals should schedule a blood or platelet donation to help maintain the nation's blood supply.

### Safety at Blood Drives

Red Cross employees implemented added precautions to ensure blood drives and donation centers are safe for donors and staff.

Using Sterile  
Collection Sets

Spacing Beds 6 Feet  
Apart Where Possible

Having Hand  
Sanitizer Available

Using Aseptic  
Scrubs on Arms

Donor and Staff  
Temperature Checks  
Before Entering Drives

Wiping Down  
Donor-Touched Areas

### What if a donor becomes sick after donating?

We provide a call back number donors should call if they become sick with any illnesses days after their donation.

**If you're healthy and well, we're urging you  
to make a blood appointment.**

## ONLINE VACATION BIBLE SCHOOL WITH BOLT!

We are so excited that VBS WILL BE HAPPENING this year! With one modification, though. Instead of you bringing your kids to VBS, we're bringing VBS to your kids.

From **August 3<sup>rd</sup> through August 6<sup>th</sup>**, we'll be using a quarantine-friendly VBS called BOLT. With minimal preparation, easy-to-follow instructions, and a video that leads you and your kids step-by-step through each of the 3 days, BOLT is designed for you to perform with your family at home. It's so simple!

During BOLT, your family will participate in fun games that illustrate what it means to listen to, focus on, and follow Jesus. Depending on your pace, you can expect that each day's experience will last about an hour and a half. It's great for the whole family, even middle and high school kids can enjoy it!

There's something else we're really excited about—this could also be an amazing outreach opportunity. If you feel comfortable gathering with more people, you can invite neighbors, friends, and family to your house for BOLT. It's such an easy and fun way to share the good news of Jesus with our community. If it's helpful, we've provided a printable invitation for you to use on the Vacation Bible School webpage or you can share our social media posts with anyone you want to invite.

**All information you need for the week will be available on our website ([rlcary.org/ministries/vacation-bible-school](http://rlcary.org/ministries/vacation-bible-school)) including registration, instructions, videos, and resources.**

**Mark your calendar for the Live Stream Kick Off on Monday, August 3 at 9:00 am on our YouTube channel ([youtube.com/ResurrectionLutheranChurchCaryNC](https://www.youtube.com/ResurrectionLutheranChurchCaryNC)).**

In the meantime, get your family excited about BOLT. This is going to be SO MUCH FUN!

Questions you may have regarding any of these programs or events can be directed to the Co-Directors of Children and Family Ministry, [MaryAnn.Unger@rlcary.org](mailto:MaryAnn.Unger@rlcary.org) or [Lea.Webb@rlcary.org](mailto:Lea.Webb@rlcary.org).

## Confirmation—Faith Affirmation

Earlier this year, our 8th grade Confirmation students prepared their faith affirmation statements. This was their opportunity to confirm the promises their parents and sponsors made at their baptism, and to share with the congregation their beliefs. Unfortunately due to the virus, many students did not have a chance to share their faith statements during worship.

Each week leading up to Confirmation Sunday (rescheduled for August 30), we will be highlighting 3 confirmands on this page and on the RLC website, including a video of their faith affirmations, at

[rlcary.org/ministries/confirmation/8th-grade-confirmation](http://rlcary.org/ministries/confirmation/8th-grade-confirmation).

## Confirmation Class of 2020

### Amanda Hagedorn

Therefore, if anyone is in Christ, the new creation has come. The old has gone, the new is here! - 2 Corinthians 5:17

### Daniel Hofman

Those who are wise will shine like the brightness of the heavens, and those who lead many to righteousness, like the stars for ever and ever. - Daniel 12:3

### Sam Huddle

Be self-controlled and alert. Your enemy the devil prowls around like a roaring lion looking for someone to devour. Resist him, standing firm in the faith, because you know that your brothers in the world are undergoing the same kind of sufferings. - 1 Peter 5:8-9

*Thank you for your continued support and encouragement during this time and throughout their faith life.*

## Confirmation Small Group Leaders

We are in the process of gathering names for adults that are interested in being a small group leader for the 7<sup>th</sup> and 8<sup>th</sup> grade Confirmation classes. Small group leaders are asked to regularly attend Confirmation classes in order to build a long term relationship with a small group that will be assigned to you (approximately 6 students of the same gender). You will have about 20 minutes each week to meet with your small group to discuss the topic that was the focus of class that day, to check in with how everyone is doing, to pray together, and most importantly to build a relationship with these students and become another Christian adult in their lives.

While we are looking for people to make a commitment to small groups done in person, please be aware that some portion of the year may have to be done by video conferencing. Should we switch to that medium, we would circle around to see how many of our original small group leaders would still be able to take part.

Research has shown that it is helpful for youth to have five additional adults in their life in addition to their family members.

If you are interested and have time to commit to the full year and potentially 2 years for the 7<sup>th</sup> grade students, please contact [maryann.unger@rlcary.org](mailto:maryann.unger@rlcary.org).

**First Communion - Sunday, August 23**
