When Jesus says to "render to Caesar the things that are Caesar's," He is referring to the requirements of support and loyalty to our secular government. But what does it really mean to render "to God the things that are God's"? Our Lord makes it clear, as Apostle Paul wrote, "Let every person be subject to the governing authorities. For there is no authority except

from God, and those that exist have been instituted by God." At the same time it is to God alone that we owe our praise and worship for His Mercy and Grace by which He saves us from sin and gives us Eternal Life.

## TWENTIETH SUNDAY AFTER PENTECOST

On Saturday, we will use the format of worship known as TAIZE for the evening service at 6:00 pm.

Holy Communion will be celebrated on Saturday evening and Sunday morning at 8:00 am. The Sunday morning 10:45 am live stream will stay up on our YouTube channel.

If you plan to attend services in person, please use the appropriate sign up genius at the link below or be prepared to sign in upon arrival. This allows us to prepare for those attending and to do contact tracing, in the unlikely event that it should become necessary.

Sign up to worship in person at [rlcary.org/about-us/in-person-worship](http://rlcary.org/about-us/in-person-worship).

### Adult Christian Education Class

Pastor Jonathan is offering a six-week introduction/review of the main doctrines of the Christian faith entitled, "**This Is the Church**" on Wednesdays, 7:00 pm. The class started October 7 and will end on November 18.

The focus of the class is on the core doctrines of the Christian faith (including the Ten Commandments, Apostles' Creed, Lord's Prayer, Holy Baptism, Confession, and the Lord's Supper), understanding how/why they occur in our worship life and what makes Christianity different from all other world religions.

Textbooks are the Bible and Luther's Small Catechism. Be prepared for class that will last up to 90 minutes and accessible via Zoom.

Both newcomers and veterans of the faith are welcome to take part! To sign up, contact Pastor Jonathan at [jonathan.blanke@rlcary.org](mailto:jonathan.blanke@rlcary.org).

Join us online for worship [live](#)

### The Monday Night Women's Bible Study

will begin a new study on October 19, *Enough for Now* by author Sharla Fritz.

If you did not pre-order the book, you can order now through Amazon, [ChristianBook.com](http://ChristianBook.com), Concordia Publishing House [cph.org](http://cph.org).

You can contact Sharon Hahne or Jamee Thieme through RCB, if you want to be added to the group.

*The concept of 'having enough' is one that is not often experienced. If I only had more money ... more success ... more time ... then I would be fulfilled. Yet, even when more is attained, it rarely satisfies. It is not 'enough.'*

This eight-lesson women's Bible study, *Enough for Now*, explores the idea of 'enough' through the study of Scripture - specifically the parable of the rich fool, personal stories, and practical exercises. Over the course of the eight lessons, women will discover how to escape the insatiable quest for more by finding their 'enough' in God.

## Council Corner – October 2020 Meeting

The meeting started with a series of verses from II Kings, where Israel was being besieged. But like today, they always trusted in God's plan for his people. The same applies today with all the matters we are currently facing. We continue to trust that God has a plan for us and RLC.

The primary purposes of this meeting were to fill out current vacancies in the Associate Pastor Call Committee, review an updated Council Term proposal, and have an in-depth discussion on Service Changes.

- September's receipts were \$109,000, which included a large anonymous donation. Expenses were in line with normal expenditures at \$95,000. The monthly result was a positive \$14,000, which make our YTD deficit around \$5,000. Note that the receipts for the first week of October were well below normal levels, which is a concern.
- As a follow up to the request at the September Council Meeting, our finance group provided an analysis of giving in the first 9 months of 2019 and 2020, broken down by age and major giving levels. The data shows that our giving is up approximately \$20,000 compared to 2019. When looking at what generated the increase by age level, members over 60 have stepped forward to support RLC through higher overall giving. Interesting that the actual giving units decreased in 2020 (317) by 11 compared to 2019 (328).
- Council approved the 2020 Staff Benefits Package, which will result in an average increase of 2.3%. With the proposed change we should end the 2020-21 fiscal year at our currently budgeted levels.
- Pastor reported that we are getting more volunteers for the services, but more help is still needed for supporting the live stream videography and production.
- Council approved the middle school youth request for holding a car wash program with proceeds to be used to support exterior church maintenance. Council has requested Staff develop a policy to manage these requests on an on-going basis.
- As we look to 2021 and post-Covid, we need to better understand how our church will be different and how we can meet new challenges. Recommendation was made that Council members read a book by Thom Rainer called the Post-Quarantine Church. This book highlights six urgent challenges/opportunities that could affect the future of our church.
- In preparation for the December Voter's Meeting, now set for December 6, the Council will provide a summary of how the Paycheck Protection Program loan has been used and the plan for using the remainder of these funds. New SBA Guidelines are forthcoming regarding the PPP loan forgiveness documentation, which will include a longer time to file the necessary paperwork. Similarly, in response to member requests, we will also be providing a summary to date of the overall Next 40 giving.
- Council will be forming a Nominating Committee next month to help identify nominations for the vacant Council positions next year, in addition those who volunteered.
- We received 5 nominations for the 2 vacant spots on the Associate Pastor Call Committee. One nomination was withdrawn and, based on the overall quality of the candidates and our traditional practice of having a range of ages and an equal number of male/female members, the Council voted to affirm all four. They are Bill Xenakis, Glenda Moser, Jennifer Grimes, and Mark Dirks. They will join Dan Shaltanis, Leader, Jan Boyer, Mark T. Otten, and Michelle Brake. They will begin their work this Fall.
- Council reviewed several alternative Term proposals. Decision was to make no change to the current By Laws. The 2021 Council will take it up some time next year for future consideration. All elections for new Council will be for 2-year terms.
- The Council had an extensive review/discussion regarding Service Changes. Teresa Gresham joined in our discussion to review the findings of the recently completed Survey. We started our conversation by looking at the major observations. Pastor and Teresa provided their conclusions and recommendations, including what is the next step in this process (a Town Hall). The Council continues to believe that any change in our Service timing needs to be approved by the Congregation. The Council voted to support moving to the next phase, the Town Hall, with the conditions that a case be presented to support any change and, based on the survey results, that the proposed 9:30 Service be only Traditional. This session is to be scheduled, most likely in November, so that the Congregational Vote can be held at the December 6 Voter's Meeting.
