The Real Win: Pursuing God's plan for authentic success. Colt McCoy, Matt Carter

In this man's man Bible study, record-setting Texas Longhorn quarterback Colt McCoy and his pastor, Matt Carter, explore the essence and purpose of biblical manhood with the men and family who have shaped them. The study captures the thrill, personality, and entertainment of a classic hunting show as the men discuss various faith-based topics over the course of hunting and fishing trips at two legendary Texas ranches.

People of Faith: Christianity in America Steve Rabey

Is America now or has it ever been a Christian nation? What is the meaning of separation of church and state? How the church be a faithful Gospel witness in a pluralistic society? What will the church look like in the future?

People of Faith: Christianity in America brings perspective to these questions and more.
