Scripture teaches that there is One God. It also reveals that God is Three Persons in His One Being. We celebrate, teach, and confess the identity of God as He has revealed Himself in the mystery of the Trinity in Unity. In the waters of Holy Baptism, we are permanently bound into the Holy Trinity. We invoke

God's Triune Name when we gather for worship. We confess the Triune Name of God in the text of the ancient creeds. In our worship, we celebrate the Triune God – Father, Son, and Holy Spirit.

Our Triune God has graciously planned for our salvation. In His Wisdom, God has taken into account our sin, provided a plan to win salvation for us by grace, and has delivered it to us through faith in Jesus Christ. God has carefully revealed to us this New Life in Christ; and empowered us, through the Holy Spirit, to live a life reflecting the calling we have received.

Join us at the 10:45 service for the sending of 28 youth to serve in a Blue Ridge Mountain community during their week long YouthWorks mission trip!

They will be partnering with local organizations to meet ongoing needs of the area.

Encouraged by their willingness to serve the Lord!

Council Corner

We started our monthly meeting with devotions that were very applicable to our Transition. We continue to focus on our WHY, as summarized in the April Newsletter and Alan Shaw's Adult Ed class. Key highlights from our June meeting are as follows:

1. May was a four-week month. We ran a \$15k deficit this month, but we maintained a YTD surplus. We made several annual payments this past month which increased overall expenditures. Based on June being a five-week month, we need a strong June to maintain our end of year surplus.
2. We submitted a request to the Southeastern District to pay for Alan Shaw's fall, winter, and summer sessions, including better understanding which of the expenses they will cover. We do have dedicated reserve funds to pay for the difference.
3. In cooperation with the Senior Youth Leadership program, they will be having representatives attend the Council meeting and report back to the overall Youth group.
4. Based on ongoing discussions with RLS, in order for the Council to better support RLS, Jacin Suskin to be added as a voting member of their Board.
5. Council decided to delay the new Visitor's video until a new Senior Pastor is in place.
6. We reviewed two accounts for possible alternative use. The Miscellaneous Income Fund totaled \$3,160. Monies were shifted to support our Uganda program (\$1,580), Youth for the National Youth Gathering (\$1,000), \$200 per the Quilter's request, and \$340 to the Preschool. We also reviewed the alternative funding for the Intern Project, totaling \$3,436. Approximately \$3,160 was reallocated to support the current ASP and the remainder to the National Youth Gathering.
7. The proceeds from the annual Yard Sale were beyond expectations. Over \$6,200 was raised, \$4,000 will be used to support the National Youth Gathering and \$2,000 to support our Uganda program.
8. The Council reviewed and passed a motion to accept the 2019-2020 RLC budget. A separate Stewardship Goal plan to support some key ministries and begin funding for an Associate Pastor was also approved.
9. The RLP budget was finalized and accepted.
10. The RLS budget was reviewed and the Council asked the RLS Board to come up with 2 scenarios, one based on current enrollment and a second on the projected enrollment once the new year school starts. An electronic acceptance vote will be used.
11. Council approved two disbursements from the New Kibler Education Endowment Fund. To RLP, \$5,000 to cover new equipment/staff training/special scholarship assistance. To RLS, \$10,000 to support the start up of their new Junior Kindergarten program.
12. Rest of meeting was spent related to preparations for the upcoming 6/23 Voter's Meeting.
13. No July Council meeting will be held, unless we need to interview Senior Pastor candidates.

THE HOLY TRINITY

On June 22-25, 2019, Congregations across the Synod will be voting for a new LCMS President. Each congregation gets two votes. One is the called Pastor and the second is an identified Layperson. For RLC, we must forgo the called Pastor vote, but Bob Hirt will vote as the identified and registered RLC Layperson. Candidates for a new three-year term for LCMS President are 1) Rev. Matthew Harrison, 2) Rev. Timothy Klinkenberg, and 3) Rev. David Maier. The sed@se.lcms.org website, presently includes 30-minute videos of Rev. Maier and Rev. Klinkenberg. On June 13, Rev. Harrison will also be on video. You may view these videos to see these individuals and check their comments/positions.

At the 2019 LCMS Convention on July 20-25, 2019, there will be much additional voting/elections for Synod positions. Bob Hirt is the elected Convention representative for SED's Circuit 13 West (which includes RLC).

Congregation prayers are requested as we, the members of the LCMS Synod, through our representation, will elect 80 individuals to important positions in the Synod for the next three years. Aside from electing the Synod President, other elections include three Synod VP's, Synod Board of Directors, Synod Regional VP's, Synod Board for National Missions, Synod Board for International Missions, and the Synod Commission on Theology and Church Relations. Also being elected will be the CPH Board of Directors, Concordia University Board of Directors, LCEF Board of Directors, LCMS Foundation Board of Trustees, St. Louis and Ft. Wayne Seminary Boards of Regents, and each Concordia University's Board of Regents.

If you have any questions, please contact Bob Hirt at ncbojo@gmail.com.

Heavenly Father, we know that You want us to be Your witnesses in this world, and You have organized us into a Church as part of Your Perfect Plan for us. Please guide Bob Hirt and all of the other representatives as they vote for the leadership of our Synod. Guide all of those elected into Your Will, so that we can unite as one flock following our Good Shepherd, Jesus. We trust You to work through our representative government, as we seek to follow Your Will and Your Way. In the Name of the Head of our church, Your Son Jesus Christ Our Lord, Amen.

And He said, "My Presence will go with you, and I will give you rest." – Exodus 33:14

Abba Father, thank You for Your constant Presence among us and for the gift of rest You offer each of Your precious children. Lord, when we are worn and weary, strengthen us by the power of the Holy Spirit and refresh us with Your promise to never leave nor forsake us. Father God, You know how deeply we need peace and rest in this earthly life, and You generously provide both in abundance as we seek Your Face and align our hearts with Yours in praise and thanksgiving. We entrust our church to you, O Lord, for we know You love us completely. As the call process continues and candidates are called to visit, Lord, help us to become more and more aware of Your Presence among us. Guide our steps, according to Your good plan and purpose, so that in our decision-making, we may rest in Your perfect peace. In the name of Jesus we pray, Amen.

Puerto Rico Mission Trip Opportunity

Groups from Hope Lutheran Church in Wake Forest have previously completed two trips to Puerto Rico (one in early 2018 and another in late 2018) to assist citizens impacted by Hurricane Maria and help the LCMS churches being planted and cultivated there. As ministries in the communities of Mayaguez and Ponce grow, the missionaries use assistance from short-term teams to help extend the church's reach in the community.

One of these short-term teams will be traveling September 14-21, 2019, and they have open spots available. They will be assisting the Puerto Rico team with various hands-on tasks needed around the premises used for worship and community events. They will also help facilitate an outreach program for a local special needs population, sharing a Bible story, crafts, and songs.

Flight prices are good right now, so they are planning to secure tickets very soon. If interested, please contact Hilary Tew, Operations Manager, at htew@hopelutheranwf.org.

Call Committee Update

By faith, we recognize that our Heavenly Father has already determined who will be our new Senior Pastor. The Call Committee was established by the Church Council, and our role is to be led by the Holy Spirit in the process of selecting one or more candidates for interviewing.

- The Call Committee has prayerfully evaluated the 11 candidates, and has recommended 4 candidates for in-person visits to the Council. The Council has prayerfully considered and confirmed these candidates. Due to planned church events and holidays, these in-person visits are anticipated to take place throughout the summer. Short bios of each candidate have been prepared, and these will be provided to the congregation soon.
- During the in-person visits, the candidates will meet with the Call Committee, Council, staff, and others from congregation. The entire congregation will also have an opportunity to meet with the candidates in a forum/Q&A format, similar to what was done during the Associate Pastor process. The Call Committee, through coordination with the Council and staff, will develop an agenda/schedule closer to that time.
- The names of the candidates scheduled for in-person visits will be provided to the congregation and information about the candidates (bios and links to their current church websites, if available) will be provided to the congregation before the visits. Names of other potential candidates will not be provided at interim steps to anyone outside of the committee due to confidentiality reasons.
- After all of the in-person visits are complete, a Congregational Forum is anticipated to gather input and hold a discussion about the candidates. (Alternately, these forums could be held immediately following the candidate Q&A meetings.) The Call Committee will again also seek input from the Council, staff, and Circuit Visitor (Pastor Merker) during this phase.
- The Call Committee could recommend moving forward with the candidates who came for a visit, or they could recommend additional in-person visits. Following this recommendation, the Council will schedule either a congregational call service (a Divine Worship Service) or a voter's call meeting. At this event, the congregation will to gather as one church family, thank God for His guidance, celebrate our faith, and prayerfully vote. The Call Committee and Council have the option to bring multiple – or just one – of the candidates to the congregation for a vote.
- More information about the schedule will continue to be provided as it is available.
- If you have questions about the process, schedule, or any other aspect of the Senior Pastor Call Committee plan, please contact the committee members.

Children and Family Ministry

Nursery Care

Over the summer, we will have nursery coverage during the **9:30 am service only**. Participation is typically very low and this will also give our care providers some time off.

We want all to know that children are welcome in all of our worship services! God loves the little children, and so do we! If there is ever a time that you feel your child needs a "break", feel free to use the nursery/preschool room during Sanctuary services and Room 151 in the Family Life Center during the praise & worship service (this service is typically streamed into that room).

As a reminder, there are rainbow bags available in both locations filled with books and other small items for the children to use during service. There are also books and often weekly handouts for the kids on the tables outside of the Sanctuary and Family Life Center. Please, help yourself!

Sunday School Teachers

Summer is a great time to start thinking about how you would like to be involved in RLC Ministries this Fall!

We have the need for older teens and adults to be Sunday School teachers. We will provide a training prior to the beginning of classes and supply all materials required for teaching. The more teachers we get, the more opportunity we have to team teach, which also provides flexibility for teachers to share the responsibilities and not have to be present every Sunday. Our Sunday School classes range from toddlers through 8th grade.

If you have questions or want to get your name on the list, contact Lea.Webb@rlcary.org or MaryAnn.Unger@rlcary.org.

Children's Church for ages 3-6, takes place weekly during the 10:45 service.

The children are dismissed before the sermon for 20 minutes to gather together for a short lesson or story about the theme of the day. They will work on a craft and/or sing a song that goes along with the story. This time will help grow their faith.

If you would like to help lead Children's Church, the Children and Family Ministry has resources and can help you in the process. The leader does have flexibility with crafts or songs according to what they are most comfortable.

Middle school students or older elementary students are welcome to be assistants, we'd love to have your help! Feel free to join the kids as they head out.

All interested adults or high school students, please contact Lea.Webb@rlcary.org or MaryAnn.Unger@rlcary.org.

WNW is our acronym for Wednesday Night Workshop, which includes our **Confirmation** classes for 6th-8th grade students.

If you have a good understanding of Lutheran doctrine, have some teaching experience, and most importantly, have a passion for middle school kids, we would love to have you consider being a part of this program.

Email MaryAnn.Unger@rlcary.org, if interested.

An info session with more details and to answer any questions will take place later this summer.

Although we are just beginning summer, it is not too early to start thinking about how you can be involved at RLC this fall!

Wednesday Night Workshop (preparation for confirmation for grades 5th-8th) begins after Labor Day. Much of the 5th grade study is done at home, partnering parents with guidance and direction from the church. The 6th-8th grade students meet for class led by an instructor and supported with small group leaders. If interested in more information regarding confirmation or any of these positions, please contact MaryAnn.Unger@rlcary.org.

All of a sudden Raleigh is having a surge in Safe Family For Children (SFFC) intakes. They are at capacity. The RLC Team wants to make you aware, so that IF it's appropriate in your context, you can consider SFFC volunteer approval--- **now, not later.**

The timing is part of the challenge. For families in crisis, summer means increased stress — kids are out of school, so kids are home all day, need to be fed, etc.

SFFC is having two information sessions soon:

Monday, June 17 from 12 Noon-1:00 pm

Wednesday, June 19 from 7:00-8:00 pm

both at Church of the Apostles in North Hills.

Dan and Jennifer Shaltanis are also available to explain SFFC and assist with volunteering.

Part of the beauty of SFFC is that multiple volunteers are engaged in one family partnership. The challenge of that is this: one partnership can occupy the availability of many volunteers. For example, just this week we have involved THREE primary host families in the caring of one family's 4 children - plus a number of other host families who will be needed to provide overnight respite care as the primary host families will have summer travels, etc. So, at least 5-6 host families are occupied just for that one family. Another beautiful part of the SFFC model is that it always includes a family coach to coordinate the partnership; the challenge is that we have fewer people willing to volunteer in that role which is a required one for every partnership, thus limiting the number of possible partnerships.

Wake County currently has NO EMERGENCY HOMELESS SHELTERS for families. Our county has a new system called coordinated entry. It's a more organized system for placing individuals/families experiencing homelessness into programs/shelters, but it does not allow for emergency overnight sheltering for families. For example, recently a family was given a tent because our county does not have available family shelter.

Approval can happen in TWO WEEKS. We will be unable to partner with these new families without more volunteers. Times like these are great opportunities to urge our members to jump into this ministry!

Thank you for considering this partnership opportunity and for your faithful commitment to surrounding families in crisis with caring compassionate community.
