The LORD called me before I was born, while I was in my mother's womb he named me.

Isaiah 49:1, NRSV

Through Isaiah God called His Servant to be a light to the Gentiles. God has bestowed on the Church, the Body of Christ, all the needed spiritual gifts to build one another up. The earlier servant, the nation of Israel, failed to look beyond themselves, and too often the Church of this day also focuses inward instead of proclaiming the Gospel to others. The beauty of God is that He stopped at nothing to save us. He became His own sacrificial Lamb to take away the sins of the world. Now He deigns to call us His servants. In this Epiphany Season, we let the light of that precious Gospel shine on us, and through us, on all whom we meet.

### SANCTITY OF HUMAN LIFE

Today is also the day we remember and give thanks to God for the gift of life.

There is much for which we and our society need to repent: senseless war, destruction of the environment, wasting God's precious resources, the gluttony of some in the midst of another's hunger, the wealth of some in the midst of another's poverty, not to mention bigotry, selfishness, greed, and many other sins against our fellow human beings. This lack of respect for human life is among the many things for which Jesus issued a call to repentance. Those who heeded the message found grace and forgiveness from a God Who wants all people to be saved and come to the knowledge of the truth, Jesus Christ.

### Annual Gateway Baby Bottle Fundraiser ~ January 18-February 16, 2020

Gateway Women's Care is a local pregnancy resource ministry offering compassion, hope, and non-judgmental help to women and men facing unplanned pregnancy. This free support enables those considering abortion to make informed decisions and to know there are realistic alternatives. Gateway's main center is located on Hillsborough Street, close to several college campuses and to downtown Raleigh.

Gateway also offers post abortive care and education for women and men suffering from a past abortion. Many of Gateway's volunteers and staff are post abortive and want to help others in this situation. Gateway is a Christ-centered ministry and shares the Gospel to those clients who want to receive it.

Gateway receives no government or taxpayer aid. They rely mostly on Christians and churches like RLC to keep their doors open. RLC is hosting a baby bottle drive for Gateway to help raise funds, so that more women and men can be served and provided with lifesaving support.

After services starting the weekend of **January 18/19**, please pick up one or more baby bottles to take home with you to fill with coins, cash, or check. Talk to your children about the reason for the baby bottle and why you are giving. There will be a collection bin available in the Narthex **through February 16**.

If you prefer to donate by check, make checks payable to Gateway Women's Care or give online at [www.gatewaywomens.care](http://www.gatewaywomens.care). Gateway is dependent on the generosity of our community to provide services cost free for its clients.

### Council Corner – January 2020 Meeting

We opened our meeting with a devotion from Joshua 1:1-9 with the theme for both the Council and the Church overall to “Be Strong and Courageous”.

1. Part of our meeting was spent in providing key background information for our new members on our prior giving history, current budget review, key committee updates, development/Gospel Sharing focus on our current Social Ministry budget, and membership statistics (including number of inactive).
2. December revenue was \$65,000 above normal 5-week monthly giving. **Thanks to all our members for their support.** We used this extra funding to pay many of our Social Ministry commitments for this budget year. Due to the strong December giving, we currently have a \$23,000 surplus. To date, we are running slightly below half of our \$1.3M budget. Current projection is that we may have a small deficit at the end of the budget year. We will continue to experience a tight spending operating position.
3. Council approved our 2020 Together in Mission funding, increasing the funding for the Mantey’s and reducing the funding for the former missionary, now serving full time in WI. (The Trumps).
4. Council voted that our 2020 Southeastern District (SED) pledge will remain at 6.2% of our monthly income.
5. A preliminary update to current Next 40 giving was shared. Given the loss of key families/contributors, we will most likely fall short of our overall goal. A series of action steps will be taken to help members be aware of their pledge status. Additional information will be shared with the congregation.
6. We are beginning to document our weekly attendance in both worship and in our Education programs. We do see a positive trend in worship attendance since the arrival of Pastor Jonathan.
7. Pastor Jonathan has reviewed several key issues as follows:
  - The background for considering a change in our worship times. Council also noted the input from several sources highlighting that members who attend certain services don’t feel as connected to the pastor. Council moved to develop a “Focus Group” to initially study the question, with no definitive guideline as to possible service change and implementation timing. A possible Focus Group leader was recommended. A separate article will be published in the February Newsletter.
  - Council endorsed the Ministry Covenant that will be executed by Pastor Jonathan and Pastor Jon/Ellen. It is a recommended LCMS practice to execute such a document when a former pastor maintains his membership in the church he served.
  - It is recommended that we begin to have permanent name badges made for all members, with the encouragement that they wear them. Also, Council members will have special badges printed, so that RLC members can be more aware of who they are with the intent of encouraging dialogue.
8. Council will begin over the next couple months to mutually develop several objectives that will be used for Pastor Jonathan’s annual evaluation.
9. Council spent considerable time looking at the overall process of adopting critical staff. Key points reviewed are:
  - Pastor Jonathan indicated that he could have some initial thoughts on the role of an Associate Pastor developed in the next 30-60 days. He also indicated that he would like about a year to better evaluate where we are and work with the Council to develop a more focused go-forward ministry plan.
  - The Council also felt that we need to develop some form of a financial basis to support the hiring of the Associate Pastor prior to initiating any formal Call Process, which will be supported by the Stewardship Campaign. Best thinking to date is that the timing to bring in an Associate Pastor would be 2021.
10. Council will begin to develop a list of Strategic Goals – both short term and longer term. Each Council member will be asked to contribute their thoughts. In addition, Council would like to include any goals developed by the Staff through their self-assessments. RLC members can send their comments to Bob Shimmel ([bbshimmel@yahoo.com](mailto:bbshimmel@yahoo.com)) who will be summarizing.
11. Council discussed the concept of holding a Spring Congregation Forum as a follow up to our December 2019 Voter’s Meeting. More information to follow.

Please join us for this information session led by Lisa Levine, Program Director for NC Dementia Alliance.

More than 170,000 people in North Carolina are affected by all forms of dementia. NC Dementia Alliance focuses all of their efforts locally and offers insight, compassionate support and assistance to those who are living with or caring for individuals throughout all stages and types of dementia.

Understanding the varying types of dementia is important and critical for both the patient and the caregiver. Not only will it allow for better planning, but it will also allow for more opportunity to include the diagnosed person in decision making before the disease progresses.

The session will begin at noon with a light lunch and refreshments. A short presentation will be followed by a discussion and a question and answer session facilitated by RLC Stephen Ministry. Please let us know if you plan to attend so we can provide for materials and refreshments.

RSVP to Jan Boyer at [j2b2boyer@aol.com](mailto:j2b2boyer@aol.com) or online at [www.rlcary.org/ministries/stephen-ministry](http://www.rlcary.org/ministries/stephen-ministry).
